

# KT-FEST

*Symposium in Honor of Prof. K.T. Mahanthappa's 70<sup>th</sup> Birthday*

*Saturday June 26, 2004*

*Room G-125 Physics Department*

*University of Colorado at Boulder*

*The Symposium, "KT-Fest", is being held to honor Professor K.T. Mahanthappa's contributions to theoretical physics, including the Closed-Time-Path (CTP) formulation in Field Theory, Supergravity, Grand Unification and Astroparticle Physics, on the occasion of his 70-th birthday. It is hosted by the High Energy Theory Group of the University of Colorado at Boulder.*

*Please join us to celebrate and to wish KT  
a very Happy Birthday!!*
